SUBJECT: Summary of Security And Investigative Support Services

INVESTIGATOR: Gypsi Ward

This is a brief synopsis of the findings from Security And Investigative Support Services. This is a private investigation service that was hired by the family of the deceased Christain Andreacchio to look into the death of their son.

Investigator Dale Jones conducted his own interviews with both Whitley Goodman as well as Dylan Swearingen. He did phone interviews with both parties who gave their version of the events of the day Mr. Andreacchio died.

Mr. Jones and Robert Saums also spoke with the coroner Marl Cobbler wh was then provided 911 tapes as well as EMT reports.

Mr. Jones and Mr. Saums then met with the Andrecchio family at the scene of the incident at 801 Deer Run. They took photographs of the upstairs where Mr. Andreacchio had died. After doing interviews and viewing the crime scene it shows in the report where Mr. Jones called and spoke to Rae Andrecchio and stated to her that it is their opinion this is a suicide.
